

recipient has carried out those activities and its certifications in accordance with the requirements and the primary objectives of the Act and with other applicable laws, and whether the recipient has a continuing capacity to carry out those activities in a timely manner.

(2) *Urban Development Action Grant (UDAG) performance reviews.* Section 119(g) of the Act requires the Secretary, at least on an annual basis, to make such reviews and audits of recipients of Urban Development Action Grants as necessary to determine whether the recipient's progress in carrying out the approved activities is substantially in accordance with the recipient's approved plans and timetables.

(b) *Performance review procedures.* This paragraph describes the review procedures the Department will use in conducting the performance reviews required by sections 104(e) and 119(g) of the Act:

(1) The Department will determine the performance of each entitlement, Insular Areas, and HUD-administered small cities recipient in accordance with section 104(e)(1) of the Act by reviewing for compliance with the requirements described in § 570.901 and by applying the performance criteria described in §§ 570.902 and 570.903 relative to carrying out activities in a timely manner. The review criteria in § 570.904 will be used to assist in determining if the recipient's program is being carried out in compliance with civil rights requirements.

(2) The Department will review UDAG projects and activities to determine whether such projects and activities are being carried out substantially in accordance with the recipient's approved plans and schedules. The Department will also review to determine if the recipient has carried out its UDAG program in accordance with all other requirements of the Grant Agreement and with all applicable requirements of this part.

(3) In conducting performance reviews, HUD will primarily rely on information obtained from the recipient's performance report, records maintained, findings from monitoring, grantee and subrecipient audits, audits

and surveys conducted by the HUD Inspector General, and financial data regarding the amount of funds remaining in the line of credit plus program income. HUD may also consider relevant information pertaining to a recipient's performance gained from other sources, including litigation, citizen comments, and other information provided by or concerning the recipient. A recipient's failure to maintain records in the prescribed manner may result in a finding that the recipient has failed to meet the applicable requirement to which the record pertains.

(4) If HUD determines that a recipient has not met a civil rights review criterion in § 570.904, the recipient will be provided an opportunity to demonstrate that it has nonetheless met the applicable civil rights requirement.

(5) If HUD finds that a recipient has failed to comply with a program requirement or has failed to meet a performance criterion in § 570.902 or § 570.903, HUD will give the recipient an opportunity to provide additional information concerning the finding.

(6) If, after considering any additional information submitted by a recipient, HUD determines to uphold the finding, HUD may advise the recipient to undertake appropriate corrective or remedial actions as specified in § 570.910. HUD will consider the recipient's capacity as described in § 570.905 prior to selecting the corrective or remedial actions.

(7) If the recipient fails to undertake appropriate corrective or remedial actions which resolve the deficiency to the satisfaction of the Secretary, the Secretary may impose a sanction pursuant to § 570.911, 570.912, or 570.913, as applicable.

§ 570.902 Review to determine if CDBG-funded activities are being carried out in a timely manner.

HUD will review the performance of each entitlement, HUD-administered small cities, and Insular Areas recipient to determine whether each recipient is carrying out its CDBG-assisted activities in a timely manner.

(a) *Entitlement recipients and Non-entitlement CDBG grantees in Hawaii.* (1) Before the funding of the next annual grant and absent contrary evidence satisfactory to HUD, HUD will consider an entitlement recipient or a non-entitlement CDBG grantee in Hawaii to be failing to carry out its CDBG activities in a timely manner if:

(i) Sixty days prior to the end of the grantee's current program year, the amount of entitlement grant funds available to the recipient under grant agreements but undisbursed by the U.S. Treasury is more than 1.5 times the entitlement grant amount for its current program year; and

(ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(2) Notwithstanding that the amount of funds in the line of credit indicates that the recipient is carrying out its activities in a timely manner pursuant to paragraph (a)(1) of this section, HUD may determine that the recipient is not carrying out its activities in a timely manner if:

(i) The amount of CDBG program income the recipient has on hand 60 days prior to the end of its current program year, together with the amount of funds in its CDBG line of credit, exceeds 1.5 times the entitlement grant amount for its current program year; and

(ii) The grantee fails to demonstrate to HUD's satisfaction that the lack of timeliness has resulted from factors beyond the grantee's reasonable control.

(3) In determining the appropriate corrective action to take with respect to a HUD determination that a recipient is not carrying out its activities in a timely manner pursuant to paragraphs (a)(1) or (a)(2) of this section, HUD will consider the likelihood that the recipient will expend a sufficient amount of funds over the next program year to reduce the amount of unexpended funds to a level that will fall within the standard described in paragraph (a)(1) of this section when HUD next measures the grantee's timeliness performance. For these purposes, HUD will take into account the extent to
